The Arizona State Board of Pharmacy is an independent health regulatory agency established by the Arizona Legislature.

- The Board's continuing existence is reviewed by the Legislature every ten years or sooner. (sunset review)
- The Board must demonstrate its accomplishments in protecting the public health and its efficiencies in doing so.
- The right to practice a recognized profession is not an absolute or unqualified right. It is one that is most certainly subject to the police power of the state. The state's interest, of course, is the protection of the public; consequently, the state controls various aspects of professional practice.
- This includes among other things, admission to practice, establishing standards of practice, ensuring continuing competency, and removal from practice for cause. The authority to regulate is well documented, both in history and in case law.

INSPECTIONS

- Conduct compliance inspections of facilities as often as possible
- Issue violation letters for non-compliance
- Investigate consumer complaints
- Issue Notice of Hearing for serious or repeated instances of non-compliance

RULE MAKING

- The Legislature makes statutes
- Make Rules that explain or “define” the statutes passed by the Legislature
- 18-24 month process
- Reviews all Rules every 5 years for continued relevance and potential conflicts with statutes
- All rulemaking is subject to open meeting laws, so the Board holds posted, open hearings where the public and those regulated may listen to and comment on the proposed rules

COMPETENCY

- Approves the professional competency Exams: NAPLEX & MPJE
- The Board sets minimum standards
- Approves & Records Intern Hours
- A major activity is to encourage Voluntary Compliance through its compliance staff and their emphasis on education about pharmacy regulations

OTHER

- Hold 6-7 meetings a year around the state, which are also subject to open meeting laws
- Embargo unsafe drugs
- Perform contract inspections for various other state and/or federal agencies

RELATIONSHIP TO INTERNS

- The Pharmacy profession is a science requiring education and an art requiring experience
- The American Council on Pharmaceutical Education (ACPE) – sets standards for education and consults with state boards

INTERN ACTIVITIES

- All activities are performed under the supervision of a licensed pharmacist
- No activities are performed in the absence of a licensed pharmacist
- Student interns must be enrolled in and attending an ACPE approved College of Pharmacy

"Supervision" means a pharmacist is:

- **present**
- assumes legal responsibility, and
- has **direct oversight** of activities relating to acquiring, preparing, distributing, and selling prescription medications by pharmacy interns
- a pharmacy intern preceptor assumes the primary responsibility of **teaching** the intern during the entire period of the training.

PERMISSIBLE SUPERVISED ACTIVITIES

- Fill new & refill prescriptions
- Transfer non-controlled Rx's between pharmacies
- Counsel patients on drug use
- Enter Rx data into computer system
- Compound per policy & procedure similar to certified technician
- Administer listed immunizations if certified

PROHIBITED ACTIVITIES

- Possess keys to a pharmacy
- Work alone or unsupervised
- Possess drugs not prescribed by a licensed practitioner
- Supervise technicians
- Transfer controlled substance Rx's

* Title 21 Code of Federal Regulations; §1306.25 Transfer between pharmacies of prescription information for Schedules III, IV, and V controlled substances for refill purposes.

(1) The transfer must be communicated directly between two licensed pharmacists.

* Schedule II prescriptions may not be refilled nor transferred between pharmacies.

Pharmacists Assisting Pharmacists of Arizona (PAPA)

is a program established pursuant to a provision in the Arizona Pharmacy Law under the administration of the Arizona Pharmacy Foundation. It was established to provide assistance to any pharmacist, pharmacy student, or pharmacy technician with an impairment. Though emphasis is on alcohol and/or chemical dependency, the program offers support or referrals to other needed programs. The PAPA program is designed to serve both a board-mandated participant (non-confidential) and a self-referred participant (confidential).

PAPA is comprised of a volunteer steering committee and office staff. This committee reviews and acts on participant requests to ensure that all State Board requirements are met.

PAPA participation includes:

- 5 year contract
- Weekly peer counseling
- Random Urine Screens
- Monitored twelve-step meetings
- Semi-annual reviews

# FINGERPRINTING

- WHY DO I HAVE TO SUBMIT PRINTS?

IT WAS PASSED INTO LEGISLATION (STATE LAW) THAT ALL STATE HEALTHCARE REGULATORY BOARDS (I.E. PHARMACY, MEDICAL, ETC...) MUST NOW HAVE NEW APPLICANTS SUBMIT FINGERPRINTS FOR BACKGROUND CHECK. THIS WAS SIGNED BY FORMER GOV. BREWER IN APRIL OF 2014 AND TOOK EFFECT ON 08/04/2014

- YOU HAVE BEEN GIVEN THE FINGERPRINTING PACKET – THE INSTRUCTION SHEET, THE VERIFICATION FORM AND THE CARD ARE IN THE ENVELOPE WHICH CAN BE USED TO RETURN THE CARD TO US

DO NOT FORGET THE \$22.00 PROCESSING FEE

THIS IS WHAT DPS CHARGES THE BOARD TO PROCESS EACH CARD. IT IS IN ADDITION TO THE FEES CHARGED BY THE BOARD FOR YOUR LICENSE

AT THIS TIME, THIS FEE IS ONLY PAYABLE BY CASH, CHECK OR MONEY ORDER  
(PAYABLE TO ASBP)

# FINGERPRINTING

- WHY CAN'T I USE MY FINGERPRINT CLEARANCE CARD?

LAW STATES YOU MUST SUBMIT A SET OF FINGERPRINTS TO THE BOARD.

§ 32-1904(A)(6): REQUIRE EACH APPLICANT FOR AN INITIAL LICENSE TO SUBMIT TO THE BOARD A FULL SET OF FINGERPRINTS FOR THE PURPOSE OF OBTAINING A STATE AND FEDERAL CRIMINAL RECORDS CHECK PURSUANT TO SECTION 41-1750 AND PUBLIC LAW 92-544. THE DEPARTMENT OF PUBLIC SAFETY MAY EXCHANGE THIS FINGERPRINT DATA WITH THE FEDERAL BUREAU OF INVESTIGATION.

THE LAW DOES NOT ALLOW US TO ACCEPT FINGERPRINT CLEARANCE CARDS OR OTHER LIKE CARDS/DOCUMENTS. THE FINGERPRINT CLEARANCE CARD CAN BE ISSUED EVEN IF YOU HAVE CURRENT OR RESOLVED MISDEMEANOR/FELONY OFFENSE(S); WHICH A REGULATORY BOARD MAY REQUIRE FURTHER INFORMATION ON, REQUIRE A BOARD APPEARANCE OR EVEN DENY A LICENSE ON.

AS THE REGULATORY BOARD FOR THE PRACTICE OF PHARMACY WE ARE REQUIRED TO FOLLOW THE STATE LAW. THERE IS NO WAIVER OR EXCEPTIONS TO THIS REQUIREMENT.

IN ADDITION, PRINTS TAKEN FOR ANOTHER BOARD (I.E. NURSING) CANNOT BE USED IN PLACE. EACH BOARD IS REQUIRED TO HAVE THEIR OWN SET OF PRINTS SUBMITTED.

# FINGERPRINTING

- INTERN LICENSES WILL NOT BE RELEASED UNTIL THE RESULTS ARE RETURNED TO US FROM DPS

ONCE THE PRINTS ARE SUBMITTED TO DPS; IT TAKES THEM ON AVERAGE 15-30 BUSINESS DAYS TO PROCESS THE PRINTS AND RETURN THE RESULTS TO THE BOARD

ONCE THE RESULTS ARE RETURNED TO US, THEY ARE REVIEWED. IF CLEARED, YOUR LICENSE WILL BE RELEASED. IF YOUR RESULTS REQUIRE AN APPEARANCE IN FRONT OF THE BOARD TO CONTINUE WITH THE LICENSURE PROCESS; YOU WILL BE NOTIFIED BY MAIL WITH THE REASON(S) AND INSTRUCTIONS ON HOW TO REQUEST AN APPEARANCE

- WHAT HAPPENS TO MY FINGERPRINT CARD AND RESULT SHEET ONCE RETURNED AND REVIEWED BY THE BOARD?

ONCE THE BOARD HAS RELEASED YOUR LICENSE; YOUR CARD AND RESULTS ARE SHREDDED IN THE OFFICE. THE SHREDDED MATERIAL IS THEN TAKEN BY A SECURE PAPER DESTRUCTION COMPANY.
